

CULVER CITY EDUCATION FOUNDATION

CCEF IS PROUD TO AWARD CULVER CITY MIDDLE SCHOOL THE FOLLOWING GRANTS TO DATE FOR THE 2009/2010 SCHOOL YEAR!

THANKS TO OUR MEMBERS AND PARTNERS, WE HAVE BEEN ABLE TO AWARD \$68,567.73 TO THE CCUSD SCHOOLS WITH MORE TO COME!

Musical Theatre- This grant will contribute to the After School Middle School Musical Theatre Production costs for 2010.

CCMS Reaches for the Stars- This grant will enable 8th grade students at Culver City Middle School to utilize a 34 meter dish antenna at NASA's Deep Space Network Goldstone Complex for classroom radio astronomy observations. Such observations will be accomplished via the internet in order to participate in cutting edge scientific research.

Integrating Technology with a Tablet PC- This grant funded high tech Tablets for the math department.

“Thank you so much for funding my grant. I've told my department and my students about it and they are all very excited. I am looking forward to incorporating the new technology into my teaching and sharing the equipment and knowledge with fellow teachers.” Again, thank you! Kelley Wilcox
