

Have you ever thought about what it would be like to visit the surface of the Moon? Come to CCMS' Astronomy Night on Tuesday, April 21, from 6:00—8:30 to participate in an evening of outer space-themed fun!

CCMS' ASTRONOMY NIGHT

- View Jupiter, Venus, and the Moon (along with many constellations) through high-powered telescopes with the guidance of astronomers from NASA's Jet Propulsion Laboratory (JPL) and two CCUSD Board Members
- Learn more about asteroids from an Aerospace Engineer
- Build a comet with UCLA researchers
- View demonstrations presented by CCMS students on Supernovas, Black Holes, and Stomp Rockets
- Find out about upcoming Star Parties in the Mojave Desert and opportunities to attend JPL's Open House
- Enjoy dinner from a local taco truck (\$6-\$8 cash, per person)

WHEN: April 21, 2015, 6:00-8:30
WHERE: CCMS' Multipurpose Room
